Monday 6th February

Dear Parents,

This is a quick note regarding leadership shirts for 2017. Some parents have indicated they would like to purchase more than one leadership shirt for their children for this year. Please indicate below how many shirts you would like to purchase. Each shirt will cost $40. This price includes the cost of a shirt ($35) and the screen printing on the back of the shirt ($5).

If you have purchased a shirt, we can collect them and add the screen printing on the back of shirt for a cost of $5. Please ensure your shirts are clearly labelled if you are bringing in a pre-bought shirt. You may be without the shirts for several weeks.

The money is to be sent the Front Office. You do not have to buy these shirts, as the normal blue SCA shirts are still part of the Year 6 uniform. Depending on how busy the screen printers are, we are hoping to have the shirts ready to wear by the end of the term.

Money is due by Wednesday the 15th of February. The final number of shirts will be ordered on the 15th and we can only order shirts if we have the money in by then.

We have sample shirts for the students to check sizes. These will be available during the meet the teacher on Tuesday the 7th of February.

Many thanks,

The Year 6 team.
