Section Three: Catholic Identity and Faith Formation

Our school follows the Archdiocesan Religious Education Curriculum, *Treasures New and Old*.

Religious Life & Religious Education

St Clare of Assisi follows the Archdiocesan Religious Education Curriculum, *Treasures New and Old*. The charism of St Clare is central to the life of the school, in particular the values of faith, respect, care, understanding and hope. We achieve our mission by ensuring each student is welcome, safe, nurtured and encouraged to do their personal best and is recognised as a valuable member of the school community. We expect that the adult members of our community also strive to support and uphold the Catholic values of the school and parish.

We strive to make explicit the Catholic identity of the school and foster it through regular meaningful prayer, liturgical celebrations, staff faith formation experiences, and the religious symbols displayed throughout the school.

In 2015 we dedicated our year to discovering the meaning behind our school motto 'Be The Light'. We successfully developed four keys areas which are now known as our 'Rays of Light'. These are Faith, Community, Learning and Leadership. We dedicated a term for each ray of light where we used prayer, Scripture, symbol, movement and meditation to uncover their true meaning.

St Clare of Assisi school is a member of the Corpus Christi Parish and works closely in partnership with the other local Catholic schools. This involves the schools and the parish coming together to not only prepare and celebrate sacraments, but to join together to experience spiritual occasions such as meditation, prayer, masses and staff spirituality development.

Beyond our school community, St Clare of Assisi successfully continued our strong partnerships with Caritas Australia, Global School Partners and St Vincent de Paul. On a local level we support St Vincent de Paul's 'Winter Woolies' appeal and Christmas Hampers. Our relationship with St Vincent de Paul will continue to be strengthened as we develop the 'Mini Vinnies' program at St Clare of Assisi. Through Global School Partners our international focus saw St Clare of Assisi continue to support St Joseph's Academy in Kenya. The school is located behind a brick building but is itself made from timber and corrugated iron. The students have an active band and dance group and welcome visitors with a vibrant exhibition of their talent. The school supplements its income by providing a posho mill which grinds maize/corn for the local community for a small charge. Through fundraising St Clare of Assisi were able to use funds to improve:

- Potable water, via a water tank capturing the rain water from the iron roof,
- Text books
- Games equipment,

Our future goal is to support the construction of a permanent brick classrooms to replace the corrugated iron.

Student Welfare Policy

St Clare of Assisi is a community shaped by the charism of St Clare of Assisi. As such we want our school to be a happy place: a warm and safe environment where shared beliefs, consistent expectations and a framework for support which encourages each individual to learn and grow. When dealing with inappropriate behaviour we also use Restorative Justice practices and this is having a positive effect on the behaviour of all students in the school.

Corporal punishment is expressly prohibited in this school. In addition we do not sanction the administering of corporal punishment by non-school persons to enforce discipline at our school.

The full text of the school’s Student Welfare and Management Policy is available on the school website or from the Front Office.

The full text of the School’s Student Welfare Policy may be accessed on the School’s website or at the Administration office.

Complaints and Grievances Resolution Policy

The Archdiocese of Canberra & Goulburn Catholic Education Office has established a Complaints Policy which is implemented by our school and all systemic schools in the Archdiocese. The rationale for the policy is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. The Catholic Education Office (CEO) monitors the implementation of this policy.

The full text of the Complaints Policy may be accessed on the Catholic Education website at https://cg.catholic.edu.au.

The school follows the Catholic Education Policy as listed on the CE website. Our school policy is based on procedural fairness and recognises that parents and caregivers must have access to processes that allow them to resolve concerns in a supportive and conciliatory environment. Any concerns raised are responded to promptly and fairly and confidentiality is always maintained. A full text of the school policy is available on the school website or from the Front Office.
